For decades Don Boumans was an industry leader, a mentor to many, and a trusted friend to all. His passion for Southeast Texas for the development and education of young people was the basis of why the Donald T. Boumans Foundation was created.

Since the Foundation's inception in 2011, we have awarded over \$500,000 in scholarships to young men and women. Most of these funds were generated by our annual crawfish boil which is held in April.

Unfortunately, the DTB Foundation had to cancel the event for the past two years. We were truly blessed for the continued financial support despite not hosting an event. These generous contributions enabled the Foundation to continue to award scholarships to Lamar University, Lamar Institute of Technology, Lamar State College Orange, and Lamar State College Port Arthur. Additionally, we donated to the Reese Construction Management Program at Lamar University.

The Donald T. Boumans Foundation is hosting its Annual Crawfish Boil and Silent Auction on Thursday, April 7, 2022 at ABC of Southeast Texas. We are asking for your help again this year, so we can continue to support the above organizations and young people in our area. Please see the attached sponsorship brochure to select the level of your participation this year. If you have any questions, please contact my assistant Peggy Dean at 409.724.1512 or Peggy.Dean@EchoGroup.net.

Come join us as we share memories of Don, time with friends and good crawfish!

Sincerely,

Mike Roebuck

Chairman
